

# Glass-N-Brass

Eastern Shore Region, Antique Automobile Club of America

January 2024

V. 61, No. 1

## HERMAN FLETCHER PASSES

Long time ESR member and lifelong car enthusiast Herman Fletcher passed away peacefully on January 1 after a brief illness. During his younger days he was associated with several forms of racing, including stock cars and boats. He was a lifelong member of several antique car clubs and was known for his award-winning 1927 Model T. A funeral service will be held **Saturday January 6 at the Sharptown Fireman's Memorial Building at 11:00 am**, with visitation one hour prior to the service. The building is on the right on Joe Morgan Road, a right turn from the Carnival grounds. Club members are encouraged to bring their antique automobiles, weather permitting, and parking for them will be authorized close to the building.

car shows.

## New Year Party

Just a reminder – Our **New Year Kick-off dinner** in celebration of our “60th Anniversary” in 2024 is scheduled for Tuesday January 9<sup>th</sup> at 6:00 PM at Brew River Restaurant’s private dining room. We will not have a formal business meeting, but we will celebrate our 60 years as a regional AACA club. We will also install our 2024 Officers and Directors, debut our new club website, present two special member awards and continue our tradition of having a fun Chinese auction gift exchange. We ask that each person (this including guests) who attends bring a fun automotive related wrapped present valued between \$10 -\$15. Please mark your calendars now and bring your spouse, a date, a friend or just yourself to join in the fellowship. Note: Everyone will order their food and beverages off the restaurant’s regular dinner menu, and you will be responsible for your own dinner bill.

Ken Sterling, President, Eastern Shore Region - Antique Automobile Club of America
