January 21 ESR AACA Meeting at JoJo’s Restaurant

The first Club meeting of 2025 saw the election of **Charles Emery** as **Club President**, effective September 1, 2025. The Executive Committee approved the appointment of **Tom Hehman and Andrew Pogan** to serve **Joint Acting Presidents** until that time. In his last official act Ken Sterling gave the **2024 President’s Award to Charles and Barbara Emery** for their above and beyond support of our Eastern Shore Region. Secretary Bill Shockley, on behalf of the Officers and Board Members, then presented **Ken Sterling** with the **Dick Furniss Award**. This is named after our Club’s principal founder and is not offered lightly; many years no one is considered eligible. In this case the Club Officers and Board Members felt President Ken had done an outstanding job as President for 2023 and 2024. He injected new life into the Club by finding speakers, car shop and car collection venues for us to visit, inviting new members with blue ESR name cards and seeking input from Officers and Board Members at planning meetings. *Note: Full minutes of this meeting are attached or included with this newsletter.*
