A New Chapter in the Story of One of Our Favorite Member Cars:

We thought we would let you know that Nancy and I sold our Judge last week. We had been considering what we should do with it before we got any older and something happened to one of us. We had considered advertising it in automotive magazines, posting it on line with various on line automobile sales, taking it to a Mecum, Barret Jackson or the Greensboro Antique Automobile Auction in NC, or just word of mouth, we were in no hurry. We had gotten a couple of inquiries in September when it wasn't even out there that we were considering selling it. We were very fortunate to be able to sell it to a man who went to high school at Cape Henlopen with our daughter and son-in-law. They had mentioned our car to him and he was so happy about being the next owner. As you can imagine, it was a very difficult decision for both of us, but we felt it was the right thing to do. The Judge will be nearby with Nancy having visitor's rights and the option of driving it whenever she would like to. We have had the most amazing ten years of sharing our car and its story. Thank you to all of the Eastern Shore members that have supported us and been a great part of our 53 year journey with our car. If the right vehicle comes along, we just might buy it and drive it. I have attached a photo of Nancy and myself, the day we delivered the car to it's new owner.

Regards, Bob and Nancy Dunbar
