April 7th Club Meeting, 5:30 at Delmar Diner, 9506 Ocean Highway, staring Andrew Pogan's 1930 Model A

For Andrew Pogan's 16th birthday he was given his grandfather's Model A Ford Tudor sedan. He, and later his entire family, have driven it ever since, with a major restoration many years ago. Andrew felt that it was time for a "refresh" so he enlisted fellow club member Will Ruhland to do some body work and painting. After dinner, we'll see the results at Will's nearby shop and Will and Andrew will tell us about all the challenges.

March Meeting Report, staring Kurt Rempe's 1918 Model T

Many thanks to Kurt Rempe for his very interesting talk at the March meeting on the history and restoration of his grandfather's 1918 Ford Model T Huckster truck. It is rare indeed to find a 100+ year old vehicle that has been in the same family for its entire life. Clearly Kurt is the proud caretaker of this gem. We were privileged to hear him tell the story.
