Club Meeting at JoJo's on April 1

This was a very productive meeting which provided updates on upcoming events.

Car Collection Visit in West Ocean City on Saturday April 12, 10:30

Details are now available for this trip and event. We will NOT have a group caravan or following lunch event planned for this event. Feel free to do so on your own, of course. The collection is owned by John Ferrari (no relation) and consists of over 100 cars and motorcycles. The address is 11101 Griffin Road, Berlin, MD 21811 (map attached). His family has requested that we make NO SOCIAL MEDIA POSTS, INCLUDING PICTURES for what I trust are obvious reasons in this day and age. Nearby restaurants are Southgate Grill and Pines Public House.

Second Annual Table Top Car Show at JoJo's on Tuesday May 13

Joint Acting Presidents Tom Hehman and Andrew Pogan are hosting this, which this year will feature separate classes and winners for Built and Bought models, and a Car Corral for models and model kits for sale. Each entry (one per member) is \$5.00 and each entrant is given sixty seconds to describe their entry. There is no limit to how many models and kits for sale. Members can enter in the Car Corral.

Chesapeake Bay Maritime Museum Boat Show on Saturday June 14

Thanks to Will Ruhland, there is no limit on how many Member vehicles can participate in this event this year and pre-registration is not required. Entrants need to gather in the nearby St. Michael's Elementary School parking lot and enter the Museum grounds as a group at 10:00. Entrants may leave prior to the conclusion of the event.

Shorebirds Car Show on Wednesday, July 23 (rain date August 6)

Bill Shockley is hosting this popular event. Entrants arrive at 5:30 and park in front of the Stadium. This is Silver Sluggers night, and game attendees pass through the parked cars as they enter the stadium. They typically show a lot of interest in the cars and can vote for their favorite. Entrants move their cars to the parking lot about 7:00 and attend the game for free. The first place trophy is awarded during the game.

Report: Car Collection Visit on Saturday April 12

Several dozen club members enjoyed the visit to John Ferrari's amazing car and motorcycle collection housed in several buildings, including a comprehensive restoration shop. We viewed classic muscle cars, trucks, Jeeps, sports cars and rare foreign and domestic makes many of us have never seen before. Our host was most gracious and thanks go to Brad Phillips for setting up our chance to see this unique collection.
