Our next Club Outing is July 7 at the Marshall Museum to celebrate "Steaming Days". Rides on their 1/8-scale trains and their antique autos are included. Also available at a small extra charge are tours of the elegant Marshall family Victorian Queen Anne style Manor House. Spend a little time reading the information on the website https://auburnheights.org/ and I am sure that you will want to participate in this club outing.

Detaiis: We will travel individually to the site and your President will coordinate drivers that can take passenger(s) with those that would like to participate but prefer not to drive. Please text Charles at 443-877-7750 or email him if you can take someone or want a ride at charlescemeryms@gmail.com.

DEADLINE TO TELL CHARLES IF YOU PLAN TO ATTEND AND ALSO IF YOU NEED TO COORDINATE RIDES IS MAY 29!

General admission is $15 for visitors 13 years and older. Group discounts require at least 20 people. We have not committed yet to a group rate pending knowledge of those who wish to go, so please call or text Charles so we can get a count of partcipants.
Gates open at 12:30 and the museum has arranged special reserved parking. There are food trucks for lunch at the site if desired. We will tour, ride, visit, eat, and covet (that's a sin, I know!) until we are ready to head home. For those interested, we will stop on the way home for supper.
