## President's Report

The pollen is finally easing off, things are warming up and the 2023 car season is kicking-off. It's time to bring out your favorite ride and head to **JoJo's Restaurant on Naylor Mill Road, Tuesday evening June 6<sup>th</sup> at 6:00 PM** for what I know will be a great ESR AACA meeting. Our *keynote speakers* will be club members Charles and Barbara Emery. The Emery's will be sharing the story of their recent road trip to attend the 2023 Annual Meeting of the International Mercedes 190 SL Owners Group in Beaufort, SC. I'd ask everyone to think of one of your motorhead friends who would enjoy hearing about the Emery's experience of driving their 190 SL to Beaufort and back, and invite them to join us at JoJo's for a great meal and fellowship. I will be out of town and will unfortunately miss the meeting but you will be in the good hands of club Vice President Rick Holloway who will be running the show.

**Jack Savage, March 18, 1941 – May 8, 2023**

Long time ESR AACA member Jack Savage's **Celebration of Life** was held May 14 in Salisbury. His beautiful 1930 Model A Ford was a frequent sight at club events in recent years. Fellow club member and Model A enthusiast Andre Pogan's extensive mechanical restoration over many months ensured that Jack's car ran as good as it looked. His car and four club members' cars were on display for his Celebration.
