First Club Table Top Car Show Draws 19 Entries

At the May 9 Club Meeting Andrea Kamberger won the People's Choice trophy for her childhood Barbie van. Club members showed and presented a wide variety of model cars and trucks of recent and antique vintage. From store bought childhood companions (like the winning entry) to kit built and customized creations (some decades in the making) to high end sophisticated replicas, the entries and their stories were diverse and very interesting. And often told stories of family ties.
