June Club Meeting set for 6:00 Tuesday June 3 at JoJo's

Table Top Car Show at JoJo's

Despite a smaller turnout than last year's inaugural event, a number of interesting built and bought model cars were on display. Tom Hehman won first place in the Built category for his 1966 Ford F-100 pickup, which is very similar to his 1965 F-100 pickup which he sold recently. Charles Emery won first place in the Bought category for his 1955 Buick Roadmaster, identical to a 1956 model owned by his family. At least one model kit changed hands in the Car Corral section.

Upcoming: Chesapeake Bay Maritime Museum Boat Show on Saturday June 14

Thanks to Will Ruhland, there is no limit on how many Member vehicles can participate in this event this year and pre-registration is not required. Entrants need to gather in the nearby St. Michael's Elementary School parking lot and enter the Museum grounds as a group at 10:00. Entrants may leave prior to the conclusion of the event.

Upcoming: Shorebirds Car Show on Wednesday, July 23 (rain date August 6)

Bill Shockley is hosting this popular event. Entrants arrive at 5:30 and park in front of the Stadium. This is Silver Sluggers night, and game attendees pass through the parked cars as they enter the stadium. They typically show a lot of interest in the cars and can vote for their favorite. Entrants move their cars to the parking lot about 7:00 and attend the game for free. The first-place trophy is awarded during the game.
