This will serve as our September Club meeting.

Shore Birds/ESR Car Show and Ballgame on Wednesday July 31

This show was well-attended, with a good variety of member cars on hand. President Ken noted that although fewer cars were on display than last year, more votes were cast, indicating a great deal of public interest in the cars on hand. Buck Burton won the People's Choice trophy for his 1949 Chevy pickup (picture below)

Lawrence Maurer and Mindy Fleetwood have joined AACAESR

Lawrence has a 1996 Dodge Viper GTS, which he brought to the Shorebirds show (picture below) and Mindy has a 1965 Ford Mustang Convertible (See story below).

Two members of the ESR participated in the AACA Special Eastern Fall Nationals held indoors at the Hampton, VA Convention Center (picture below). New member, Mindy Fleetwood (see below), and President Ken Sterling both showed their Mustangs and came away with Senior 1st place Tabs to add their "Preservation" award plaques. They both enjoyed the indoor air conditioned setting and viewing a wide range of cars that were displayed from around the country. 194 vehicles were registered for the show.
