October 1 Club Meeting at JoJo's

It's time to go back to JoJo's, for our October 1 Club Meeting. Brad Phillips will be our featured speaker. We can expect a report on his excellent 2024 Great Race experience and who knows what else! I expect we also will hear a report on the AACA ESR Board and Officers meeting held at President Ken's house this week.

Hebron Lions and ESR Car Show on Saturday, September 21

Our annual show with the Hebron Lions Club was a huge success, with 73 cars registered (some photos below) and 14 trophies awarded by the Club and six additional by the Lions Club. The layout of the venue was improved over last year and once again the food and entertainment were top notch. In a new feature we had several vendors on site, to provide some variety to the event, particularly for those attendees who might not be totally "car crazy". Shout out to Buck Burton as show organizer for a job well done.

Another AACA ESR Member Trophy

Russel Show is at it again, showing his award-winning 1989 Mustang Cobra convertible at the North Carolina Transportation Museum for the recent AACA Furnitureland Region's Antique Car Show. He won the "Les Joyner Outstanding Mustang Trophy" which is displayed at the Museum.

AACA Special Fall Nationals held in Hampton, Virginia – Member Update

As reported in last month's newsletter, President Ken and new member Mindy Fleetwood showed their award-winning Mustangs. New member Dave Moore also attended with his 1964 Plymouth Sport Fury convertible (picture below) . All showed their cars to AACA Senior 1st awards and added "chips" to their Preservation Award plaques.

AACA Program for Seniors With Medicare Advantage or Medicare Supplement

As an AACA member you should have received an email describing a plan for which you may be eligible if you have Medicare Advantage or a Medicare Supplement Plan. If you do, you may be able to join a partnership with Grouper, an organization that provides benefits to members 65 and older for staying active in our community. If you did not receive this email please contact AACA to determine your possible eligibility.
