November 5 Club Meeting at JoJo's

It's time to go back to JoJo's, for our November 5 Club Meeting. Charles and Barbara Emery will report on their latest Glidden Tour experience. Club elections for next year are also on the agenda

At our October Club Meeting Brad Phillips reported on his 2024 Great Race experience at the wheel of the 1916 Hudson Super Six Speedster as part of the Stahl Foundation Team. Brad was his usual dynamic and spirited presenter and all enjoyed the program very much.

Trunk or Treat at East Salisbury School

Seven Club Members brought a wide variety of cars to this well-organized event. This year seemed to include twice as many students as in previous years and we handed out what seemed like a ton of candy. Most students and students and some Club members were in costume and everyone was polite and well-behaved.
